Resource Management, Inc. Recognized in Annual HB 500 Listing

Fitchburg, MA – June 25, 2008 - Resource Management, Inc. (RMI), a privately owned Professional Employer Organization (PEO) with 151+ Million in revenues, has been recognized as the 46th largest (based on revenue) out of 2.6 million Latino-owned business in the United States by Hispanic Business Magazine in the June issue focusing the annual HB 500.

"I am humbled by what our company has accomplished. We owe our success to our great team of employees and vendors who have enabled RMI to deliver to our clients what we promise," says CEO Reinaldo Lopez who founded RMI in 1995, and in 13 years has become the largest Latino owned business in the Northeast U.S.

As a PEO, **Resource Management, Inc.** provides small to mid-sized companies a complete suite of business administration services including payroll preparation, risk management, health insurance, and government compliance so business owners can focus on the day-to-day operation and financial success of their business.
